POSTGRADUATE SCIENCE COLLEGE,
BILASPUR (C.G.)

DEPARTMENT OF COMPUTER APPLICATION

Organises a Workshop on

CYBER CRIME AND CYBER SECURITY

Date: 09 Jan 2024

Time: 12:00 pm

Venue:

Dept. of Computer Application

Guest Speaker

MRS. SRISHTI TRIPATHI

Assistant Professor, Computer Application
Kirodimal Govt. Arts and Science College, Raigarh (C.G.)

Title: Workshop Report on “Cyber Crime & Cyber Security”

Date: 09-Jan-2024

Venue:Department of Computer Application (Govt. E. R. R. P. G. Science College, Bilaspur)

Introduction: The workshop was inaugurated on 09-Jan-2024 at Department of Computer Application by Principal Dr. Jyoti Rani Singh. Our Guest Mrs. Srishti Tripathi, highlighted the importance of **Cyber Crime & Cyber Security** in today’s digital era.

Expert Lecture Highlights:

Speaker: Mrs. Srishti Tripathi, Assistant Professor at K.G. College, Raigarh (C.G.)

Welcome Address

The event commenced with a warm welcome address by Mr. Vivek Tiwari (Head of Department of Computer Application), who emphasized the importance of raising awareness about the growing threat of cyber crime and the critical need for robust cyber security practices. The host acknowledged the increasing reliance on digital platforms in our personal and professional lives, highlighting that while technology offers great benefits, it also exposes individuals and organizations to new vulnerabilities.

Guest Lecture on Cyber Crime and Cyber Security

The Workshop was delivered by Mrs. Srishti Tripathi, an established authority in the field of cyber security with years of experience in combating cyber crime. The speaker began by defining cyber crime and providing an overview of the different types, including identity theft, phishing attacks, ransomware, and cyber espionage. Emphasis was placed on the sophisticated methods used by cyber criminals to exploit individuals and organizations, especially with the increasing reliance on the internet and mobile technology.

The lecture also covered key aspects of cyber security, including the importance of strong passwords, multi-factor authentication, encryption, and regular software updates. The expert highlighted the role of both individuals and organizations in maintaining cyber hygiene, including training employees to recognize threats and implement best practices to mitigate risks.

Conclusion

The workshop concluded with a call to action for all stakeholders—individuals, businesses, and governments—to take proactive steps in addressing the growing threat of cyber crime. While there is no single solution to this complex problem, collective efforts, continuous education, and the use of advanced technologies can significantly reduce the risks and consequences of cyber crime. The attendees left with a deeper understanding of cyber security and a renewed commitment to fostering a safer digital environment.

Q&A Session

An Interactive QA session was held at the end of workshop, where delegates had the opportunity to clarify their doubts and engage with our expert speakers.

Acknowledgments

The event concluded with an expression gratitude by the Mr. Sanjeev Pandey and Mrs. Pragya Sahu. Special thanks to Principal Dr. Jyoti Rani Singh Mam for inaugurating the workshop and Mrs. Srishti Tripathi Mam was thanked for sharing valuable knowledge and expertise on **Cyber Crime & Cyber Security**. The host also thanked the organizing team and sponsors for making the event possible and urged all participants to continue educating themselves on cyber safety to protect against potential risks.
